## **1. BACKGROUND AND PURPOSE OF THE AGREEMENT**

1.1 The Agreement governs the general terms for the Customer's access to Ventelo's products as set forth in the Agreement, cf. the Agreement Form.

1.2 The basis for the Agreement is that Ventelo offers a specific access to its infrastructure, which gives the Customer the possibility to offer end users value added Services by Ventelo's communication network, unless the End User has taken reservations against this. The Agreement also governs distribution of Services by Ventelo's communication network to Ventelo's Service providers, unless the Service provider has taken reservations against this.

## 2. DEFINITIONS

**Agreement** This Agreement as it appears herein, including Annexes, Guidelines, Implementation Guidelines or similar.

**Agreement Document** This Agreement as it appears herein, not including Annexes, Guidelines, Implementation Guidelines or similar.

**Service provider (s)** Offers mobile communication services based on Ventelo's communication network.

**Services** The services the Customer provides to the End User by the Products.

**Short number** A number that identifies the Customer. A Customer may have one or several Short numbers related to one or more products

## 3. PRIORITY

3.1 In the event of inconsistencies the Agreement, the documents shall have the following priority:

- a) Agreement Form
- b) Agreement Document
- c) Appendixes to the Agreement Document
- d) Guidelines
- e) Implementation Guidelines

#### **4. VENTELO'S OBLIGATIONS**

4.1 Ventelo shall make the Products available to the Customer as set forth in the Agreement.

4.2 Ventelo shall operate and maintain its communication network and relevant support systems in such way that Ventelo can offer a high degree of accessibility to the Products.

4.3 Ventelo shall make available one or several Short numbers. Ventelo reserves the right, without any liability, to withdraw assigned Short numbers on basis of orders by public authorities or breach of the Agreement.

4.4 Ventelo shall have qualified personnel available for questions and clarifications in connection with the co-operations. Ventelo's contact persons at any time are set forth in Appendix 1.

#### **5. THE CUSTOMER'S OBLIGATIONS**

5.1 The Customer is responsible for the Services that are offered by the Products.

5.2 The Customer is obliged to comply with the Agreement, prevailing laws, regulations and practice at any time. Hereunder the provisions of the penal code regarding pornography, the provisions of the marketing act regarding marketing, provisions of the personal data act regarding treatment of personal data, the provisions of the e-trade act regarding information requirements, the provisions of the copyright act on copyright to intellectual property, the provisions of the e-commerce act regarding security and treatment of personal data, the provisions of the lotteries act regarding lotteries etc. The Customer shall not behave in a way that may cause damage to Ventelo's reputation or integrity in the market.

5.3 The Customer shall have qualified personnel available for questions and clarifications in connection with the co-operations. The Customer's contact persons at any time are set forth in Appendix 1.

5.4 The Customer shall inform Ventelo of expected increase in the transaction volume.

5.5 The Customer shall keep Ventelo informed about possible claims from 3<sup>rd</sup> parties that has occurred as a result of the Service. If anyone forms a case against Ventelo, as a consequence of the Customer's activity, the Customer shall at its own expense protect Ventelo's interests. This obligation of the Customer requires that Ventelo immediately notifies the Customer about such claims, that the Customer obtains full control of the case and that Ventelo collaborates with the Customer in possible negotiations or legal proceedings. In such case, the Customer will cover awarded costs and damages. Any loss, direct or indirect, incurred by Ventelo as a consequence of breach of Sec. 5.5, shall fully be covered by the Customer and the Customer shall have full legal and economic responsibility towards Ventelo and/or third parties, notwithstanding the limitations of liability set forth in the Agreement.

5.6 The Customer shall cover its own expenses related to the Products and costs related to fulfilment of other requirements set forth in the Agreement.

5.7 The Customer shall inform the End User about who is the provider of the Services.

5.8 The Customer shall have an appropriate customer service towards the End Users in connection with the Services.

5.9 The Customer shall, without undue delay, inform Ventelo about possible defects of the Products that are discovered. The Customer shall check reports and error messages from Ventelo's network and others.

5.10 The Customer shall check delivery reports and update internal systems so that the Customer terminates delivery of Services by Ventelo's network, if End User is not defined as active in Ventelo's network.

5.11 The Customer may enter into agreements with its customers, sub-suppliers, content providers and similar persons that take the Products in use. In such cases, the Customer shall make the provisions of the Agreement applicable in the agreement that the Customers enters into with others.

5.12 Ventelo may require information about the Services that the Customer offers to End Users, and which partner/sub-supplier that offers the Services.

5.13 The Customers breach of one or several of the provisions of this Paragraph 5 may be deemed as a substantial breach of the Agreement, cf. Paragraph 13.

## **6. START UP, MAINTENANCE, AVAILABILITY, CLOSEDOWN, ETC.**

6.1 Ventelo has the right to install or change the Products if this is considered necessary as a consequence of development, adaptation, repairs, maintenance, operation security, upgrading, service, and also if imposed by the authorities pursuant to relevant laws, regulations or similar. If possible, notification shall be given reasonable time in advance. Ventelo has no liability for possible costs the Customer incurs in such regards, e.g. for adaptation and replacement of equipment.

6.2 Ventelo has the right to immediately close down the Products inter alia in the following situations. If possible, notification shall be given in reasonable time before closedown is initiated:

- a) Ventelo considers the Customer's Services to be in violation of the Agreement, applicable laws and regulations, relevant customary practice and furthermore in cases where there are reasonable grounds for such action.
- b) The Customer behaves in a way that is or may be damaging to Ventelo's reputation or integrity in the market.
- c) The Customer ceases its payments, enters into debt negotiations or becomes bankrupt.
- d) The Customer applies equipment or the Products, that disturb the communication network, not authorised equipment or equipment used in violation of the Guidelines/Implementation Guidelines from Ventelo.
- e) The Customer distributes spam or marketing materials to End Users without obtaining prior consent from the End User.
- f) The Customer sends or forwards material by Ventelo's communication network, like pornography, or material that violates 3rd parties copyright or similar.
- g) The Customer's company is dissolved or enters into mergers without the Agreement being transferred in accordance to Paragraph 18.
- h) The Services are based on wrongful information from the Customer.
- i) The Customer does not respond to requests from Ventelo within stipulated time-limits.

6.3 Ventelo is not liable for the expenses and loss of the Customer that Ventelo's actions may cause.

6.4 Ventelo may re-open the access to the Products when the circumstances that gave grounds for the closedown is rectified, unless Ventelo has terminated the Agreement, cf. Paragraph 13. Ventelo may also keep the access to the Products closed in a given period. The duration of the closedown will correspond to the degree of the breach. In case of termination, Ventelo may decide if the termination shall include the whole Agreement or only the individual product that appears from the Agreement Form.

## **7. COMMERCIAL TERMS, ETC.**

7.1 Ventelo may carry out a credit check on the Customer prior to entering into the Agreement. In connection with the credit check, Ventelo may claim advance payment, deposits, guarantee or other form of security.

7.2 Ventelo may alter the prices subject to one month's prior notice.

7.3 Statement of accounts shall be made by Ventelo one time per month, and normally within the 20th in the subsequent month of the accounted period.

7.4 In case of substantial discrepancies in the accounting basis between Ventelo and the Customer, Ventelo shall at the Customer's request review the basis data. Ventelo's statement of accounts is deemed to be accepted by Customer unless a written complaint has been put forward within 14 days (normally the 5th in the following month). At the request of Ventelo, the Customer shall forward its basis data. Ventelo's basis data represent the actual invoicing of the Customer, and Ventelo's basis data shall prevail in the settlement between the parties.

7.5 All charging of the End Users shall take place simultaneously with the delivery of the Services. Thus, the Customer is not allowed to generate posterior charging to the Customer.

7.6 Breach of payment obligations under this Agreement by a Party gives the other Party a right to claim the highest interest set forth in the Norwegian Delayed Payment Act of 17 December 1976 no. 100 ("Forsinkelsesrenteloven").

## **8. MARKETING**

8.1 Marketing that includes the use of Ventelo or Ventelo's logo, shall be approved by Ventelo in due time before any marketing measures are effectuated.

## **9. SECURITY**

9.1 The Customer shall abide by Ventelo's applicable security routines, and Ventelo may claim that the Customer proves that such routines are followed. If Ventelo consider it necessary, Ventelo has the right to inspect the Customer's security solutions that are connected to the use of the Products.

9.2 The Customer shall secure its own network and thereby the access to the Products.

9.3 The Customer shall maintain required security related to the Services.

9.4 The Customer shall collaborate fully with Ventelo in case of any breach of security.

9.5 The Customer shall make its best efforts to disclose possible unintended and/or unauthorised use of delivered Services and of any wrongful use directed towards Ventelo or the Customer.

9.6 The Customer shall ensure that the Services delivered is free of virus or any other possible functionality that may affect the Products or the End User's mobile terminal/phone, that in any way may result in an inconvenient experience for the End User.

## **10. END USER DATA AND PRIVACY**

10.1 The Parties shall ensure that prevailing laws and regulations regarding secrecy and protection of privacy are complied with in connection with this Agreement. 10.2 The Parties are each obliged to obtain any necessary permits regarding the establishment and utilization of the End user Registry.

10.3 When treating personal information, the Parties shall through planned and systematic measures provide for satisfying information security with regard to confidentiality, integrity and availability.

10.4 The Customer shall not use personal data delivered by the Products for any other purpose than to deliver the Services by Ventelo's network, claim payment from End User by the Products and for customer service. Personal data shall be deleted immediately after the required use has terminated.

## **11. COPYRIGHTS**

11.1 The Agreement does not grant either Party rights to the other Party's intellectual property rights, except as expressly stated in this Agreement.

11.2 Upon the execution of the Agreement, the Customer is granted the right to utilize the Short number. The right to use the Short number shall terminate by the termination of this Agreement. Numbers temporarily at the Customer's disposal is Ventelo's property. The assigned numbers shall only be used for the purpose of fulfilment of this Agreement, or upon Ventelo's approval. The utilization of the numbers in other contexts shall be considered a material breach of this Agreement.

## **12.FORCE MAJEURE**

12.1 In the event of non-fulfillment by either Party of its contractual obligations caused by an event beyond the Party's control and which the Party could not reasonably take into account, the Party's obligations are suspended until such event has ceased.

## **13.BREACH**

13.1 In the event that one Party is in breach of this Agreement and such breach is not remedied within 4 weeks after receipt of notice in writing from the other Party, the other Party may terminate the Agreement.

13.2 Each Party may terminate this Agreement with immediate effect if the other Party is in material breach of this Agreement.

13.3 If the Customer is in breach of the Agreement, Ventelo may, subject to prior notice, close down the Customer's access to the Products, cf. Paragraph 6. In case of material breach, Ventelo may close down the Customer's access to the products without prior notice.

13.4 In case of breach by the Customer, Ventelo will not pay any amount that may be put in connection with the breach, with effect from the time when the breach occurred. If Ventelo has paid any amounts that may be put in connection with the breach, the Customer shall immediately return such amount to Ventelo. Ventelo may also set off such amount against any amount that is unpaid by the Customer. This provision does not limit Ventelo's right to claim damages according to Paragraph 14.

## **14.LIABILITY**

14.1 Each Party is liable for direct loss caused by ordinary negligence limited to NOK 100,000 per incident.

14.2 Under no circumstance shall either Party be liable to the other for indirect damages or costs, unless caused by wilful misconduct or by gross negligence of the other Party.

Indirect loss includes inter alia loss of profit, loss as consequence of reduced or lost production or revenues, loss of goodwill, loss as a consequence of a contract with a third party being lost or unfulfilled, loss of data, or that the Product cannot be used as expected.

14.3 Ventelo disclaims any responsibility related to delivery of the Services to End Users in other operator's network.

## **15. CONFIDENTIALITY**

15.1 Both Parties undertake to treat confidentially all confidential information, regardless of what form it is received from the other Party, including information regarding the other Party's technical installations and procedures, and also information regarding the other Party's operations and business and other information that normally should be considered confidential. Information that is publicly known, generally available to the public, or information received by the other Party before the execution of this Agreement, and such information has been obtained through no breach of contract or breach of good business practice or other legal default by the receiving Party, shall not be treated as confidential information. Confidential information shall be used for the purposes it has been received for and for the purposes of this Agreement only.

15.2 Upon a written inquiry from the other Party, a Party shall return all confidential information and copies of such concerning the other Party that has not been obliterated, irrespective of how it has been stored. The duty to return confidential information applies irrespective of how the Party has obtained the confidential information. The confidentiality provisions shall continue in full force and effect for two years after the termination of this Agreement.

## **16. TERM**

16.1 The Agreement is in effect from the date of execution until it is terminated by either Party on one month's prior written notice.

## **17. CHANGES TO THE AGREEMENT**

17.1 Ventelo has the right to amend the terms of this Agreement by 2 months' prior written notice. Notice is not necessary if the amendment is to the advantage of the Customer. The Customer may terminate the Agreement if the amendments are of material importance for the Customer, cf. Paragraph 16.1. In such case, the amendment does not have effect in such period of termination.

17.2 Ventelo's operations are subject to extensive regulations, and Ventelo cannot offer the Customer terms and conditions in conflict with such regulations and/or orders from the authorities. If this Agreement is in conflict with such regulations and/or orders from the authorities, Ventelo may immediately change the terms of the Agreement in order for the Agreement to comply with the public regulation.

**18.ASSIGNMENT TO ANOTHER LEGAL ENTITY**

18.1 The Customer may not assign its rights or obligations under this Agreement to another legal entity unless Ventelo consents thereto in writing and the new customer has paid the assignment fee. Consent may not be denied without due cause.

18.2 The Parties shall have the right to assign its rights and obligations under this Agreement to an affiliated legal entity within the same group.

**19.DISPUTES AND GOVERNING LAW**

19.1 The Parties will endeavor to resolve any controversy or claim through negotiations. If such controversy or claim cannot be solved through negotiations, each of the Parties may bring the case before the ordinary courts. Venue in the first instance is Oslo City Court. This Agreement shall be governed and construed in accordance with Norwegian law.

## APPENDIX 2 – PRODUCT SUMMARY

Below is a short description of the individual Products in the CPA product portfolio.

### **CPA SMS Content incl. Web Payment**

SMS Content is a Product where the Customer gets the right to use a dedicated SMS Short number that gives the Customer the ability to communicate with Ventelo's End Users by SMS. The Customer may develop its own SMS Services and define the end user premium rate price for each SMS service. Ventelo will charge the End User and the Customer then receives an agreed revenue share from Ventelo. Web Payment is a supplementary product to SMS Content. Web Payment gives the Customer the ability to charge End User for content on the Internet by the End User's mobile phone bill.

### **CPA WAP Billing incl. WAP Push**

WAP Billing is a product that facilitates premium rate payment from the End User to the Customer for content the End User downloads by WAP. Ventelo will charge the End User and the Customer then receives an agreed revenue share from Ventelo. WAP Push is included in WAP Billing. WAP Push gives the Customer the ability to start a WAP session with a specific End User. WAP Billing and WAP Push are included in CPA Total.

**CPA MMS Content** MMS Content is a Product where the Customer gets the right to use a dedicated MMS Short number that gives the Customer the ability to communicate with Ventelo's End Users by MMS. The Customer may develop its own MMS Services and define the end user premium rate price for each MMS service. Ventelo will charge the End User and the Customer then receives an agreed revenue share from Ventelo.

**SMS Bulk** SMS Bulk is a product where the Customer gets the right to use a dedicated SMS Short number that gives the Customer the right to communicate with Ventelo's End Users by SMS. All messages that are received by the End Users are here free of charge for the End Users, and it is therefore no revenue share between Ventelo and the Customer.

**CPA Event** CPA Event is a variant of SMS Content, with dedicated high SMS capacity. CPA Event shall be used in cases where the Service generates high traffic in a certain period of time, e.g. TV-channels that offer SMS interaction. Ventelo may decide when a Service shall apply CPA Event. This is only a time-limited access that is made available by a separate agreement.

## APPENDIX 3 – PRICES
